Program:

Enjoy an unguided visit that lets you explore at your own pace. Each visit includes entrance to our corn maze, playground and picnic area, and a mini bag for u-pick apples. This option is perfect for daycare groups or school groups looking to enjoy the farm without the educational tour piece. If you book with us, we'll have a package waiting for you at our entrance barn with everything you'll need for your visit. Simply come in, grab your package from our corn maze staff, and enjoy!

**** Unguided visits do not include wagon rides. Orchard access will be via walking only****
