NOGGINS CORNER FARM MARKET

All programs include:

- **Educational Programming** - Short and sweet to allow a focus on our interactive corn maze and apple picking. Your choice based on grade level!
- **Apple Picking** - Take a wagon ride down to our u-pick orchard where each student can pick and fill a small sized bag of apples to take home.
- **Corn Maze** - A different theme every year! There are two distinct interactive mazes that will allow students and teachers to choose the appropriate level of challenge.
- **Barnyard Adventure Area** - Complete with a tire mountain, double tunnel slide, a challenging rope maze, a spider web to climb, duck races, washer toss and a straw bale climbing area!
- Picnic tables and clean portable washrooms with hand washing stations on site.
