Job Summary:

Work at a busy year round Farmers Market providing customer service, and a fun atmosphere for all customers. Act as an integral member of a high-energy and positive team. Develop a strong knowledge on produce we grow and sell in the markets as well as other local products available.

Key Responsibilities and Accountabilities:

- Provide excellent customer service to all visitors in a fast-paced environment
- Effectively operate all cash and payment systems in accordance with company procedure.
- Thoroughly explain all aspects of the farm and growing practices to customers
- Perform general admissions, U-Pick and featured attraction duties as required.
- Assist in many aspects of daily facilities maintenance such as, but not limited to: washroom inspection/upkeep and garbage collection/sorting through produce displays
- Under the direction of the Operation Manager follow company policy for all customer concerns.
- Inventory
- Merchandising
- Proper storage of all products and produce for sale.

Education/Work Experience:

- High School or equivalent
- Secretarial or cashier experience
- Previous retail experience an asset, but not mandatory

Skills:

- Fast learner
- Energetic and positive
- Confident and outgoing
- Great communication skills
- Team player
- Physically capable to be mobile and active for the duration of a work day
