

FALL SCHOOL TOURS

September-October 2025

COME HAVE FUN ON THE FARM WITH LESSONS IN AGRICULTURE

Noggins Corner Farm proudly offers agriculture and environment based educational programming for all grade levels. Our programs are fun, hands-on, and interactive. Come enjoy a day full of fun and a memorable educational experience unlike any other!

10009 Hwy #1 Greenwich, Nova Scotia, B4P 2R2

All programs include:

- **Educational Programming** - Short and sweet to allow a focus on our interactive corn maze and apple picking. Your choice based on grade level!
- **Apple Picking** - Take a wagon ride down to our u-pick orchard where each student can pick and fill a small sized bag of apples to take home.
- **Corn Maze** - A different theme every year! There are two distinct interactive mazes that will allow students and teachers to choose the appropriate level of challenge.
- **Barnyard Adventure Area** - Complete with a tire mountain, double tunnel slide, a challenging rope maze, a spider web to climb, duck races, washer toss and a straw bale climbing area!
- Picnic tables and clean portable washrooms with hand washing stations on site.

OUR PROGRAMS

All programs are designed for up to 3.5 hours in duration and can be mixed and matched to meet the needs of multiple grades and/or specific learning goals.
