

# Spring Daycare Program

May - June 2025

## NOGGINS CORNER FARM

### Outdoor learning experiences on the farm!

Noggins Corner Farm proudly offers agriculture and environment based educational programming for our local daycares. Our program is hands-on, interactive, and fun! Come enjoy a day full of fun and a memorable educational experience unlike any other!

### Program:

Our daycare program typically runs for 2 hours. We'll learn about what plants need to grow and plant a seed to take home! We'll also visit our dairy barn to learn about cows and see some spring calves. Our program also includes time for lunch and play in our barnyard adventure play area.

### Cost:

\$6.50 per child, tax included. Educators, staff, and chaperones are free! Invoices will be provided with HST broken down for your records
